

Prayer for Students during a Pandemic

Dear Mary, Mother of Jesus,
you always shine a light on us as a sign of love and hope.
You were present when your Son suffered for our sins.

Your love and faith is a reminder that you always care for
the well-being & health of the sick.

Dear Mary, Mother of God,
You know what we need. Please keep us in your prayers.
We are sure you will provide so we may return to joy and
celebration after this time of trial.

Help us, Mother of Divine Love,
to follow God's will and the Gospel teachings of Jesus.

May your son carry us through these difficult times and hold us in his loving
arms.

Amen.
