1. Introduction

This policy identifies the Code of Conduct for the Durham Catholic District School Board and provides direction to assist and ensure that every elementary and secondary school develops and maintains an approved Code of Conduct that communicates to all members of the school community acceptable behavioural expectations and consequences for infractions.

The Durham Catholic District School Board and its schools focus on prevention, early intervention and progressive discipline as the key to maintaining a positive school environment in which students can learn and teachers can teach. When inappropriate behaviour occurs, schools in the Board will be required to utilize a range of interventions, supports and consequences that are developmentally appropriate, that include opportunities for students to learn from mistakes, and that focus on improving behaviour. In some circumstances, short-term suspension may be a useful tool. In the case of a serious incident, long-term suspension or expulsion, which is further along the continuum of progressive discipline, may be the response that is required.
