Area: Student Conduct and Safety

Approved: May 24, 2011

Revised: November 10, 2014 (Interim); February 9, 2015; November 11, 2019; May 10, 2021

1. Introduction

The Durham Catholic District School Board (the “Board”) believes that regular attendance and punctuality are essential for students to be successful in school and subsequently in employment. The Board recognizes that both staff and parents/guardians/caregivers share the responsibility to promote the values of good attendance and punctuality; to collaborate in resolving issues of absenteeism and lateness when they arise; and provide positive reinforcement and supports needed for good attendance and punctuality.

2. Definitions

Prolonged Absence (*Enrolment Register Instructions for Elementary and Secondary Schools*) – the absence of a pupil for 15 consecutive school days without appropriate supporting documentation.

3. Purpose

The purpose of this policy and its attendant administrative procedure is to provide direction in the reinforcement and support of good attendance and punctuality among all students.

4. Application / Scope

This policy applies to all students in the Board.

5. Principles

- 5.1 The Board believes there is a correlation between regular student attendance and student success from kindergarten to the completion of secondary school.
- 5.2 The Board recognizes its responsibility in creating a safe, welcoming and inclusive school environment that will support and encourage regular attendance.
- 5.3 The Board believes that parents/guardians/caregivers have an essential role to play in supporting the regular attendance and punctuality of their children.
- 5.4 In ensuring a safe school environment for all students, the Board acknowledges its responsibility in monitoring student attendance and punctuality, responding to issues of absenteeism and lateness, and engaging parents/guardians/caregivers in a timely manner when such issues arise.
- 5.5 The Board recognizes that the issues, barriers, and challenges that underly chronic absenteeism and lateness are multi-faceted. As such, resolving chronic absenteeism and lateness requires positive, supportive ongoing communication and engagement of parents/guardians/caregivers and students to create substantial solutions and interventions in supporting the issues which may be creating barriers to attendance for a specific student or groups of students.
