

Regional Arts and Media Program

Performing Arts Audition

Please note that all Regional Arts & Media Program auditions are currently scheduled to take place in person at All Saints Catholic Secondary School on January 10 and 11, 2026, with an additional day scheduled for January 17, 2026 if required. **We cannot accept any scheduling requests** due to the volume of applicants we receive.

1. Please register/[apply online](#).
2. Please prepare **both** of the following:
 1. A monologue that is approximately 1.5 minutes in length that is also age and content appropriate. You may select from the options provided or use your own.
 2. A prepared song or a cut of a song that is approximately 1.5 minutes in length. Please see the list of approved song/song types in the Audition Rubric and Tips form for Performing Arts. Please refer to the selection criteria before choosing your piece. You may choose your own piece or select one of the pieces provided below. Please note, given that Vocal Music and Drama are combined as a Performing Arts major, the audition panel will be looking for an expressive quality consistent with the text/emotion of the piece. We suggest doing some research to learn about the character that is singing, why they are singing (i.e. the emotion behind the song), and to whom they are singing.
3. You will be required to perform your monologue and your song at your audition. You may be given some redirects after your initial performance. **Please review the rubric and tip sheet for song suggestions, resources, and monologue options on our [website](#).**
4. You will be asked to do a pitch range or pitch matching test. You do not need to prepare for this
5. You will also have a brief interview during your audition. We will ask you to expand upon the experiences, interests, and information you provided in your application package.

We look forward to your audition. Remember, no previous experience is necessary – just a passion for performance and the arts! Please await a confirmation email after the registration period has closed to confirm your date/time slot.
