Instrumental Music

Audition Tips

1. Choose music that is important and meaningful to you. Perform something that represents your personality and interests. Make a personal connection to your music.
2. You may be asked to cut or stop playing early to accommodate scheduling.
3. Practice playing in front of others. The more you practice in front of an audience, the more comfortable you will feel.

Interview Tips

- Show us your genuine enthusiasm and passion for music. Explain what role music plays in your life.
- What brass and woodwind instruments do you think you will enjoy playing? We want you to be excited at the opportunity to learn a new instrument.
- How can you be a positive collaborator in your school community?
